

August 15, 2016

Dear Parents/Guardians and Students:

**RE: STUDENT PARKING PRIVILEGES**

As you may know, student parking on campus is limited and provided to students on a “privilege basis.” Qualifying students will be assigned a parking space once their completed application is submitted. Spaces will be assigned to those students who drive to school each day.

**SENIORS AND JUNIORS** wishing to obtain a parking space must submit their Parking Application to the Wells High School Main Office between the dates of August 25-31 from 7:00 am – 2:00 pm. Academic eligibility is based upon 2015 Trimester 3 grades. Also, all student financial obligations must be met, along with a minimum of 15 community service hours.

Senior parking spaces will be distributed first. Junior parking spaces will be distributed once seniors are completed.

Students applying for parking privileges must provide all necessary documents and signatures at the time of registration. Incomplete applications will cause a delay. Rules and regulations for parking on campus are enclosed, as is a parking application. Please read all documents carefully!

**SENIORS:** Your Senior Privileges permission slip is enclosed. This form must be completed and returned to the WHS Main Office before you will be permitted to exercise that privilege.

If you have any questions, please do not hesitate to contact me. Enjoy the remaining days of summer!

Respectfully,

Josh Gould  
Assistant Principal

**Parking Lots:**

- Parking Lot A is our Main High School Student Parking Lot
- Parking Lot B is the Lower Elementary Student Parking Lot
- Parking Lot C is in back of the Junior High School

**PLEASE NOTE:** Due to community events that require the use of the school parking lots, there will be 3-5 designated school days when the high school parking lot will be closed to student parking. Students will be notified in advance of those days and will be asked to find other transportation arrangements.
