WGME Pep Rally

Sept 13th

5am – 7am

WHS Gym

WGME will broadcast live our pep rally from WHS.

Students, families and Staff are welcome.

Let's show Maine our Warrior Pride.

Details of the event will be posted on the WHS website

Changing of the Guard

Welcome to the new Officers of the Boosters:

Jerry Marsh, President

Judy Moody, VP

Jim McNeil, VP

Keeley Lambert, Treasurer

Danielle Bullard, Secretary

The incoming board would like to extend their thanks to the following people for their many years of dedicated service:

John Gregg, Rick

Colontoni, Laura Barra, Rick Barra, Cindy Roche and Ralph Gamache.

For those who may not know, the Boosters provide the “extras” to our student-athletes such as training equipment. Also, each and every team is allotted funds from the Boosters each year.

The majority of the money for the Boosters comes from the operating of the Snack Shacks during our home athletic events.

Please help support your student-athletes and enjoy some good food.

The Booster meetings are held the 1st Tuesday of every month at 7:00 pm in the Student Enterprise Room (near the locker rooms). Meetings typically last 1 hour so we hope to see some new faces October 1st

Come on out to see what is happening with the Boosters.

Letter Jackets

In an effort to streamline the ordering process, Lynette Dewey will be available during school hours to size the athletes. Dates and times will be announced for each semester.

With the rising costs of the jackets and the current state of the economy, the boosters have made some changes regarding the Letterman jackets. There are now 2 options for the jackets:

Traditional style

New hoodie style

The boosters will cover the cost in full for the new hoodie style where \$100.00 payment will be required for the traditional style beginning this fall.

The requirements needed to earn a jacket are still them same as listed below:

Letter jackets are presented to athletes who earn 2 letters in the same sport or 3 letters in their career.

Each student will be required to obtain a form from Jack Molloy, Activities Director, to be signed by their coaches to show that they have met the letter requirements for that sport.

Warriors 4 Warriors

On August 16th with the support of the coaches, family and friends, 43 members of the Warrior Football team participated in the "Murph" cross fit workout to benefit the Wounded Warrior Project (WWP).

The "Murph" workout was named for Lt. Michael P. Murphy, a US Navy Seal, who was killed June 28, 2005 defending our country. The boys

completed a 1 mile run, 100 pull-ups, 200 push-ups, 300 body squats and a final 1 mile run in 50 minutes or less to raise money for the WWP.

At the time of the event, approximately \$1900.00 had been raised with more to come this fall. On October 25th the Warrior Football Team will complete their regular seasons against Lake Region. This game will be

used as a benefit for the WWP.

We are all very proud of these young men who banded together to support such a worthy cause.

Good luck this season!
